

Your patients. Our commitment.

When you prescribe OCALIVA® (obeticholic acid) for your patients, Interconnect® provides them with comprehensive support.

Call **1-844-622-4278** or visit **interconnectsupport.com** to learn more.

Interconnect
SUPPORT SERVICES
Integrated access and support by Intercept

INDICATION

OCALIVA is indicated for the treatment of primary biliary cholangitis (PBC) in combination with ursodeoxycholic acid (UDCA) in adults with an inadequate response to UDCA, or as monotherapy in adults unable to tolerate UDCA.

This indication is approved under accelerated approval based on a reduction in alkaline phosphatase (ALP). An improvement in survival or disease-related symptoms has not been established. Continued approval for this indication may be contingent upon verification and description of clinical benefit in confirmatory trials.

SELECTED IMPORTANT SAFETY INFORMATION

WARNING: HEPATIC DECOMPENSATION AND FAILURE IN INCORRECTLY DOSED PBC PATIENTS WITH CHILD-PUGH CLASS B OR C OR DECOMPENSATED CIRRHOSIS

- In postmarketing reports, hepatic decompensation and failure, in some cases fatal, have been reported in patients with Primary Biliary Cholangitis (PBC) with decompensated cirrhosis or Child-Pugh Class B or C hepatic impairment when OCALIVA was dosed more frequently than recommended.
- The recommended starting dosage of OCALIVA is 5 mg once weekly for patients with Child-Pugh Class B or C hepatic impairment or a prior decompensation event.

Please see accompanying **Full Prescribing Information**, including **BOXED WARNING** for OCALIVA. Rx only.

85%
compared
with 65%

Strong starts

In 2019, 85% of patients enrolled in Interconnect experienced success with insurance navigation, information about prior authorizations, and receipt of their initial shipments of OCALIVA compared with only 65% of patients working directly through a specialty pharmacy. The industry standard of all prescriptions successfully filled through a specialty pharmacy is approximately 55% - 60%.^a

87%
compared
with 77%

Ongoing adherence

Over a 6 month period, Interconnect delivered a higher adherence rate than that of a specialty pharmacy alone (87% vs 77%, respectively). After 6 months on therapy, 71% of those treated with UDCA alone remain adherent compared to 87% of OCALIVA patients supported by Interconnect.^b

9.8/10
patient
satisfaction

High patient satisfaction

Patients enrolled in Interconnect enjoy access, ongoing support, and an array of services. In an independent study, patients rated their satisfaction of Interconnect as 9.8 on a 10-point scale, outranking other similar programs.

^aPercentages based on specialty pharmacy data captured by the Intercept data warehouse in 2019.

^bPercentages based on specialty pharmacy data captured by the Intercept data warehouse in 2019.

Please see accompanying **Full Prescribing Information, including BOXED WARNING** for OCALIVA. Rx only.

Interconnect offers consistency in care

Your dedicated Care Coordinator—the same person assigned to your office and your patient—will continue to keep you updated with important information about your patient's prescription.

Our team is here to help

Your Care Coordinator is your primary contact, but they are supported by a variety of people. To keep things moving smoothly, you may hear from others on the team along the way.

*Please note Territory Business Manager, Regional Access Manager and Director of Strategic Accounts are a part of the broader Intercept Support Team

“

MY INSURANCE COVERS PART OF THE COST AND I HAVE
A CO-PAY ASSISTANCE PROGRAM TO COVER THE REST.

– Sandra, a patient supported by Interconnect

”

Access is our top priority

Interconnect is committed to removing financial barriers to treatment whenever possible, including helping eligible commercially-insured patients access OCALIVA for **as little as a \$0 co-pay**.

Commercial insurance

Eligible commercially-insured patients may receive OCALIVA for as little as a \$0 co-pay.^a

No insurance

Qualified patients may be provided with access to OCALIVA at no cost.

Delays in coverage

To prevent treatment delays, commercially insured patients may qualify for an introductory supply of OCALIVA.

^aExcept where prohibited by state law. Some people will not qualify for certain offerings. Intercept reserves the right to rescind, revoke, or amend this offer without notice.

Getting started with Interconnect Support Services

HOW TO ENROLL

There are 2 ways to get healthcare providers and your patients started with Interconnect Support Services. Choose the method that works best for your office.

Fill out online and fax

Complete the interactive enrollment form online at **[interconnectsupport.com]**, print, add your signature, and fax it to **[1-855-686-8730]**

..... OR

Enroll on paper and fax

Print the enrollment form, available at **[interconnectsupport.com]**, fill it out, sign, and fax it to **[1-855-686-8730]**

We'll keep things moving along

Your office is busy and we respect your time, so Interconnect will help throughout the entire process.

WHAT TO EXPECT

1

Care Coordinator introduction

Your Care Coordinator will call you and your patient within a few days of enrolling to make introductions and get started. This will be the same dedicated resource that keeps in touch with your office and your patient throughout the process.

2

Benefits investigation and prior authorization

Interconnect will support your office with assistance on information regarding prior authorizations. Depending upon insurance coverage, your commercially-insured patients may be eligible to receive OCALIVA® (obeticholic acid) for as little as a \$0 co-pay.^a

3

Delivery of initial prescription

The specialty pharmacy will contact your patient to confirm delivery details. Your patient will typically receive his or her initial prescription of OCALIVA within 3 to 4 weeks.

4

Refill coordination

Your Care Coordinator will help your patient understand how to refill and to expect a call from the specialty pharmacy for delivery.

ONGOING SUPPORT

BEHIND-THE-SCENES-SUPPORT

Interconnect can help with:

- Coordinating between your patients and the specialty pharmacy
- Providing information to your office regarding prior authorizations
- Enrolling your patient in our adherence program
- Informing your office of missed refills

WORKING WITH YOUR PATIENT

Interconnect will help with:

- Navigating changes in insurance/ continued coverage
- Providing educational materials to support treatment goals
- Answering questions along the way

^aExcept where prohibited by state law. Some people will not qualify for certain service offerings. Intercept reserves the right to rescind, revoke, or amend this offer without notice. For full terms and conditions of the co-pay program, visit <https://www.interconnectsupport.com/copay-terms/>. Please see accompanying Full Prescribing Information, including BOXED WARNING for OCALIVA. Rx only.

When it comes to coordinating treatment services, Interconnect delivers
