**\*THIS IS AN INVITATION ONLY.** Submission of this form does not guarantee a seat at this meeting. Registration is confirmed on a first-come, first-served basis. You will receive confirmation once your registration has been processed.

**Goal Statement** This activity has been designed to meet the educational needs of gastroenterologists, physician assistants, and nurse practitioners involved in the diagnosis and management of IBS.

**Target Audience** The live meeting series will target gastroenterologists, primary care physicians, nurse practitioners, physician assistants, and nurses.

**Educational Objectives** Upon completion of this activity, participants should be better able to:

- Differentiate IBS amongst other functional bowel disorders
- Discuss diagnostic recommendations and describe how and when to initiate therapy
- Examine new and emerging therapies for IBS
- Discuss the role of nonpharmacologic treatment options
- Analyze treatment guidelines and illustrate the implementation of these recommendations in clinical practice with emphasis on tailoring therapy to the individual patient

**Credit Designation** This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Cincinnati and Gastrointestinal Health Foundation.

Supported by educational grants from Commonwealth Laboratories, LLC.,  
Allergan, Inc. and Ironwood Pharmaceuticals, Inc.,  
Salix, A Division of Valeant Pharmaceuticals North America LLC.

Provided by:

Accredited by:

The University of Cincinnati is accredited by the ACCME to provide continuing medical education for physicians.

The University of Cincinnati designates this live activity for a maximum of 1.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credits commensurate with the extent of their participation in the activity.

**Disclosure** Faculty members are required to inform the audience when they are discussing off-label, unapproved uses of devices and drugs. Physicians should consult full prescribing information before using any product mentioned during this educational activity.

**Learner Assurance Statement** The University of Cincinnati is committed to resolving all conflicts of interest issues that could arise as a result of prospective faculty members' significant relationships with drug or device manufacturer(s). The University of Cincinnati is committed to retaining only those speakers with financial interests that can be reconciled with the goals and educational integrity of the CME activity.

**Americans with Disabilities Act** The event staff will be glad to assist you with any special needs (i.e. physical, dietary, etc.) Please contact us prior to the event at 877-782-4532.
